Week 4

Getting To Know Me

What is one thing that is on your Christmas wish list?

Into The Bible

Read Luke 12:15. How do Jesus' words go against our American culture?

How can the trap of materialism catch you personally?

Why do we love stuff?

Read 1 Timothy 6:6-12. How does Paul add to what Jesus just said in Luke?

When our time here on earth is done, what do we take with us? How should we live our lives in response to this?

What was Paul's secret to being content?

Read Hebrews 13:5. In the message we saw Paul's secret meant being dependent upon God. How does this verse speak to that? What encouragement do you find in the verse?

The Challenge

What is something you need to Thank God for more often?

How can you be generous in this Christmas Season?

How can you show God that you depend on Him?
