

This Christmas season we invite you to join us in the spirit of generosity. Instead of buying a gift that will likely be discarded in a few months, we have the opportunity of giving a family clean drinking water by buying a water filter, providing a family a month's supply of corn for tortillas, buying a Christmas package for a child in Haiti filled with gifts purchased from the local economy, or helping supply our local Foster Family Resource Closet. This season, let's celebrate the abundant gift that Jesus gave us by giving to others.

HOW TO PARTICIPATE:

Fill out the order form included here and drop it off before or after church at the table in the lobby. We will take your order at the table and payment can be made through cash, check, or online giving. A Christmas card and envelope will be provided for each item you purchase to give to the loved one that you are donating in the name of. Thank you for joining us in generosity this Christmas season!
